

Hot Metal® Laminate Decorates and Displays.

Hot Metal laminate is popular with designers who want to produce outstanding decorations and displays with attention seeking effects. In Sydney, Hurstville City Council used Hot Metal laminate to create stunning festive decorations which adorned the city streets to cheer Christmas 2009. In addition, the Council used Hot Metal because it is an Australian made product employing environment friendly processes.

Hot Metal's versatility and visual attraction has proven very successful in displaying and showcasing all types of events, product launches, point of sale and entertainment sets for stage, theatre and television.

Plan the new year with impressive and colourful design concepts. Make an impression with Hot Metal laminate to decorate interiors, display and exhibit products and dress events.

Explore Hot Metal's flexible applications and request a sample by visiting www.hotmetal.com.au

Hot Metal®the coolest trend in laminate.
