

Hot Metal® Hot Bars.

To achieve an impressive feature bar, look no further than Hot Metal laminate. Whether designing an entertaining, vibrant, social bar or a relaxing, sophisticated lounge bar, Hot Metal creates the look with ease. Using patent technology to combine the contemporary look of metal with trend colours and handcrafted patterns, Hot Metal offers an advantage as it attracts light to create a three dimensional surface finish that brings life, movement and impact.

For bars fronts and feature walls that display merchandise, Hot Metal is the ideal choice. It is a durable metal laminate that retains its lustre, requiring minimal maintenance. This is something to consider when designing bars that receive high patronage. Hot Metal laminate is fire rated safe in accordance with Australian standards and is Australian designed and made with eco friendly processes.

Hot Metal®the coolest trend in laminate.

Hot Metal® is Australian designed and manufactured, using handcrafted techniques. Hot Metal® is Patent protected.
