

Hot Metal® Laminate At Home

Hot Metal laminate offers new interior solutions for residential applications. To create a splash of colour in a stylish gloss finish is easy with Hot Metal's range of translucent colours and patterns.

Hot Metal reflects the emerging trend towards unique, creative expression in interior design. It is suitable for a variety of vertical surface applications including, feature walls and doors, decorative panels, partitions, kitchen cupboards, wardrobes, skirtings, ceiling panels, splash backs, decorative table tops and customised furniture designs.

Hot Metal is an Australian made laminate that is quality proven, durable, fire rated and easy to clean. Whatever application, Hot Metal will create a striking visual impact to any home interior.

Hot Metal®the coolest trend in laminate.

Hot Metal® is Australian designed and manufactured, using handcrafted techniques. Hot Metal® is Patent protected.
