

Hot Metal®Cool Reception.

Hot Metal chartreuse in the reed pattern has been used for a curved reception desk and counter fronts at Wentworth City Council. The architect specified Hot Metal laminate because it offers a unique, sleek, artistic finish which adds extra dimension to the overall design and colour scheme. Hot Metal is the ideal choice because it is durable and requires low maintenance which is necessary to this application receiving high public traffic. In addition, Hot Metal was selected by the architect and client because it is an Australian made product.

Hot Metal laminate offers endless interior applications. It is a proven, versatile laminate that can be specified with confidence to deliver the desired effect with a minimum of effort. Hot Metal will inspire and assist with any interior design challenge.

Hot Metal®the coolest trend in laminate.

Hot Metal® is Australian designed and manufactured, using handcrafted techniques. Hot Metal® is Patent protected.
